

Food & Beverage Supervisory Intern OR
Restaurant Management Supervisory Internship

This internship will provide students hands-on learning and situational leadership opportunities. Responsibilities will focus heavily on leading daily operations and customer service directed towards our membership. This internship works in conjunction with our Food and Beverage Team and will have the opportunity to lead shifts, develop schedules, engage in seasonal hiring, and learn the prerequisite skills to managing an operation – conduct inventory, payroll management, POS administration. This internship will provide the opportunity to learn the finer aspects of floor management, lead lineups/pre-shifts, and learn closing procedures. This is preferably a rising Senior or Graduate, who has previously held an internship or has significant F&B experience.
